MODULAR BACKYARD LIVING

COMPACT DWELLING SERIES

MORE ROOM. RIGHT WHERE YOU LIVE.

Make Space for Life.

A refined modular backyard house that adds practical, private living space without changing the home you already love.

Create an extra bedroom, guest retreat, quiet office or flexible family space with **a smart dwelling designed for the backyard.**

01

BUILT TO LAST

Durable colour aluminium wall cladding and roofing provide a clean, low-maintenance exterior.

02

LIGHT-FILLED LIVING

Double-glazed aluminium sliding doors bring in daylight while supporting comfort and privacy.

03

FAST INSTALLATION

A modular approach helps reduce disruption and makes adding useful space straightforward.

04

FLEXIBLE BY DESIGN

Install when space is needed and relocate or remove the structure when circumstances change.

DESIGNED FOR

Extra dwelling

A practical extension for guests, teenagers, relatives or independent living.

Backyard fit

A streamlined footprint that sits neatly beside lawns, gardens and boundary fences.

Everyday ease

Modern materials, efficient access and a crisp architectural finish.

Unlock the space you already own.

Ask about configuration, site suitability and installation options.
